[TA-W-35,343]

Papillon Ribbon & Bow Company a/k/a/ Alpha Trims New York, New York; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 19, 1999, applicable to all workers of Papillon Ribbon & Bow Company, New York, New York. The notice was published in the **Federal Register** on January 29, 1999 (64 FR 4712).

At the request of the petitioners, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the design and manufacture of garment trimming accessories. Findings show that some workers separated from employment at Papillon Ribbon & Bow Company had

their wages reported under a separate unemployment insurance (UI) tax account for Alpha Trims, New York, New York.

The intent of the Department's certification is to include all workers of Papillon Ribbon & Bow Company who were adversely affected by increased imports. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to TA-W-35,343 is hereby issued as follows:

All workers of Papillon Ribbon & Bow Company, also known as Alpha Trims, New York, New York who became totally or partially separated from employment on or after November 30, 1997 through January 19, 2001 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 5th day of February, 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

Pluma, Incorporated Rocky Mount, Virginia; Notice of Revised Determination on Reopening

On December 18, 1998, the Department issued a Negative Determination Regarding Eligibility to apply for worker adjustment assistance, applicable to workers and former workers of Pluma, Incorporated, located in Rocky Mount, Virginia. The notice was published in the **Federal Register** on January 25, 1999 (64 FR 3720).

By letter of January 11, 1999, officials of Pluma, Incorporated submitted information regarding the closure of the subject firm plant in Rocky Mount, Virginia. Based on this new evidence, the Department reopened the petition investigation.

The initial investigation resulted in a negative determination based on the finding that the "contributed importantly" test of the Group Eligibility Requirements of the Trade Act was not met for workers at the subject firm producing knitted activewear (fleecewear).
